Appointments - We are NOT a high volume, "chain" studio. We have a waiting list of clients who would like use our services. By scheduling an appointment for each visit to the studio, you will always have our undivided attention. If you just stop by, we may be with another valuable client and ask you to make an appointment to return. If you need to change an appointment, please call as soon as possible so that we can use your original appointment time for another client.

Payments - A non-refundable retainer of \$100 is required to reserve your portrait session. It will be applied to your portrait order. You may pay the retainer by phone with a credit card or by mailing a check. If it is not received within 3 days of scheduling your session, your appointment may be given to another client.

We require a 50% deposit of your total investment when you place your order. The balance is due upon completion. No partial orders will be released until the balance is paid in full.

All orders must be picked up within 10 days of completion. A \$4 per week storage charge will be added to orders not picked up within that time.

Checks returned for insufficient funds will be assessed a \$25 handling charge.

Proofs - Your proofs will be ready within 24-72 hours of your portrait session! They are not retouched or color corrected. They may appear lighter or darker than your finished portraits. If you have any questions about how your finished photographs will look compared to the proofs, please ask.

All proofs are studio property and must be returned within one week of borrowing them from the studio. They are loaned to you to aid in making your final selections. Proofs that are not returned within one week will be charged at \$25 per image. No Exceptions.

Yearbook Print - Our yearbook prints are widely accepted by many high schools throughout the U.S. We can meet any school's yearbook requirements.

Yearbook prints are free from any package pose or \$15 from a pose that is not used in your package. The yearbook print is **not** available until your order is paid in full.

Yearbook prints are only available with a minimum order of \$150.

Reorders - There is a **\$10 reorder charge** for additional photographs ordered at a later date. This charge covers the clerical time needed to pull your images and prepare them to go back to the lab for your new order. Therefore, you will find it less expensive to complete your needs now by taking advantage of our discounted, package pricing.

Design Your Own Package!

Mix-N-Match Units In Any Combination!

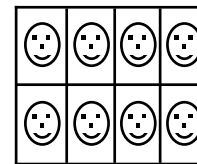

All wallets or 5x7's in a unit must be of the same pose.

1 unit = 1 - 8x10

1 unit = 2 - 5x7's

1 unit = 8 - Wallets

How Do I "Design" My Own Package?

First, determine your portrait needs. *Example, if you need:*

1-8x10 (your home)	1-8x10 = 1-unit
1-8x10 (one set of grandparents)	1-8x10 = 1-unit
1-8x10 (another set of grandparents)	1-8x10 = 1-unit
4-5x7's (aunts and uncles)	4-5x7's = 2-units
24-wallets (graduation announcements)	24-wallets = 3-units
40-wallets (exchange with classmates)	40-wallets = 5-units

Total number of units needed = 13-units

Package E would provide 13 units in this example!

SpectraCoat Finish

Preserve your 5x7 and 8x10 prints with our patented, fade and smudge resistant SpectraCoat finish. The coating also helps your photograph resist sticking to the glass when mounted in a picture frame. This finish is not necessary for wallet prints.
